NATIONAL INSTITUTE OF TECHNOLOGY RAIPUR

(An Institute of National Importance)

PLACEMENT AND INTERNSHIP POLICY 2026-27

1. The Career Development Centre (CDC) through its Placement Cell continuously endeavors to bring good career opportunities to the students through the campus placement/internship process. The Placement Cell extends comprehensive support at every step of the campus placement/internship process to ensure that students are given appropriate opportunities to fulfil their career interests. The placement team diligently endeavors to make sure that the Institute continues to be a favored destination for all reputed organizations. To achieve this, students are consistently helped to acquire the skill sets required for their chosen career profile according to the industry expectations. It is also imperative that the interests of all the stakeholders, including the companies recruiting from our campus, are given due consideration. With an aim to maximize the sum of benefits to all stakeholders, the Placement Policy for the students has evolved over the years. To realize a win-win situation for NIT Raipur and our partner organizations, all students are expected to understand the Placement Policy and follow it strictly. The various aspects and provisions of the 'Placement Policy' of the Institute are elaborated in the succeeding paragraphs.

2. **Eligibility for Placement through Placement Cell, CDC**.

   (a) All the final year students of NIT Raipur (except industry-sponsored students of M.Tech. and PhD programs) fulfilling the following criteria are eligible to appear in the campus placement process from the Institute side:

   (i) Satisfactory attendance in classes (as reported and certified by the HoD).
   (ii) No disciplinary action against them (as reported and certified by the HoD).
   (iii) No major recorded complaints about any of their untoward activity in the previously conducted career development sessions by CDC as noted by their concerned student placement conveners.
   (iv) Fulfilling the criteria, as approved by the CDC, of having successfully completed the employability skills training programs organised or endorsed by the CDC (proof of the same is to be acknowledged by the CDC).

   (b) To motivate and nurture the entrepreneurial and innovation skills of the students, all such students who are working on their Startup / business ideas, under the aegis of Innovation Cell/Entrepreneurship Cell/Incubation Centre of the Institute, will be allowed to appear in the campus placement process of the following years (up to 3 years from their graduation year), provided that the recruiting company has no objection to it and the student has not participated in the placement process in his / her graduating year. The Faculty In-charge, Innovation Cell / Faculty In-charge, Entrepreneurship Cell / Faculty In-charge, Incubation Cell will forward the details of such students to Faculty In-charge, Placement Cell at the beginning of the placement session.

3. **Rules for Applying for Placement Process**.

   (a) All interested and eligible students shall submit a duly signed and notarized undertaking confirming that they have read and understood the Placement and Internship Policy of their batch. Thereafter, students must mandatorily register on the T&P portal within the prescribed timeline. Only registered students who have submitted the undertaking and onboarded on the T&P portal shall be eligible to participate in the Institute mediated placement and internship process.

(b) All applications/registrations to participate in the placement/internship process of the respective companies are to be made only through the T&P portal of the Placement Cell, or as per the directives given by the Faculty In-charge, Placement Cell, mandatorily on or before the last date of registration.

(c) The entire placement process will be coordinated by the Student Placement Convener/s (SPC) designated by the Head, Career Development Centre (CDC), in consultation with the Faculty In-charge, Placement Cell. All students/candidates are to abide by the instructions of SPC for smooth and efficient execution of the placement/internship process. However, Candidates / students may raise their issues, if any, directly to the Faculty In-charge, Placement Cell.

(d) All the details pertaining to the placement/internship process of a company i.e. eligibility criteria, selection process, job profile, job description, Compensation Package (CTC), service bond etc., as provided by the company, will be made available to the students through the T&P portal or by any other suitable means such as the Job Announcement Form (JAF). Students are required to get their doubts and queries clarified, if any, through the Placement Cell office or from the company delegates during the Q&A session of the Pre-Placement Talks (PPT). It is mandatory for interested students to attend the PPT of the company.

(e) Students are expected to make informed decisions before applying to any company for campus placement/internship. Including the information provided in the JAF, all the students are required to check the company's profile, its background and other relevant aspects about the job and career profile offered by the company thoroughly before applying for it. The Institute / Placement Cell would not be liable for any issues or problems at any later stage.

(f) Once a student applies for and registers for the placement/internship process for a company, all rules as per the placement policy shall apply to the student. The student shall be responsible for his/her presence in the entire selection process, i.e. registration, PPT, online test, written test, Group Discussion (GD), Personal Interview (PI) etc., of that company, on time. The inability to attend the process must be communicated to Placement Cell well in advance along with the relevant proof and must be approved by the Faculty In-charge, Placement Cell, prior to the event.

(g) A student may not be allowed to participate in the placement/internship process if any recommendation/suggestion in this regard is received from his/her Head of the Department or from any of the Deans of the Institute.

(h) A student should have a satisfactory attendance and good conduct record as per the Institute policy to be eligible to participate in the placement/internship process. The candidature for the placement process may be withdrawn or withheld if the concerned HoD recommends so based on the poor attendance in the classes or any disciplinary reasons.

(i) If a student does not participate in further procedure of any company after registration, then he/she will be debarred from participating in the next five companies of the placement/internship season. Students are advised only to register for the Institute mediated on-campus placements/internships when they are interested in appearing for the same.

4. **Rules for Withdrawing of Application**. A student may withdraw his/her application/ registration for participation in the placement/internship process of a company, with prior permission of the Faculty In-charge, Placement Cell, only till the last date of application/registration for that particular company is not over.

5. **Unwillingness by Student for Campus Placement**. An eligible candidate will be considered unwilling for the campus placement/internship and can be ruled out of the placement/internship process after being given 48 hours' notice if the eligible candidate fails to register for 4 consecutive placement/internship processes without any prior permission. The candidate will be permitted to skip 4 consecutive companies only after prior permission from the Faculty In-charge, Placement Cell on a genuine medical or academic basis.

6. **Selection / Placement Process**.

   (a) **'One Student, One Job' & 'One Student, One Internship' Policy**. The Institute follows 'One Student, One Job' and 'One Student, One Internship' policy. Accordingly, once a student is placed in a company through any institute mediated campus placement process including a Pre-Placement Offer (PPO), he/she shall not be eligible to participate in any subsequent institute mediated campus placement processes.

   Similarly, once a student secures an Institute mediated on-campus internship offer through selection process, including a Pre-Placement Internship (PPI), he/she shall not be eligible to participate in any subsequent Institute mediated on-campus internship processes.

   (b) In case a company does not give its final selection list on the campus placement day, then the students will be allowed to appear in other companies visiting on subsequent days till they finally get selected. In such cases, if a student is selected by more than one company, he/she will be given the option to choose the company of his/her choice and indicate the same to the Placement Cell within 3 days of receipt of the last offer. If a student fails to abide by this, then disciplinary action will be taken against him/her.

   (c) If an Institute mediated on-campus placement offer/internship offer is revoked by any company before the date of joining, the student with such a revoked offer would be eligible for all the upcoming placement opportunities with his/her candidature following the same guidelines as that of an unplaced candidate.

7. **Dream Company**: If a company has been awarded 'Dream Company' status, all eligible and interested students can apply for it. A company may be awarded 'Dream Company' status on the conditions mentioned below. However, the final decision of the Dream status to a company lies with the Faculty In-charge, Placement Cell, with the approval of the Head, Career Development Centre (CDC).

   (a) The overall placement of the batch should have reached at least 70% of the total candidates from the eligible branches.

   (b) CTC should be twice the average of the eligible branches.

   (c) Maharatna and Navratna PSUs having prime reputation may have a 'Dream Company' status depending on the conditions at the proposed visit.

NOTE: After the last date of the result announcement for the batch, no new company shall be granted the 'Dream Status' for campus placements, and only the unplaced students shall be eligible for the company visiting after the last date of the result announcement for the batch, no matter the status or the CTC offered by the company.

8. **Legacy Company:** A company may be awarded 'Legacy Company' status if it meets one or more of the conditions mentioned below. However, the final decision to grant 'Legacy Company' status lies with the Faculty In-charge of the Placement Cell, with approval from the Head, Career Development Centre (CDC).

a) The company maintains a close and influential relationship with the Institute.

b) The company has been a regular recruiter from the campus over multiple years and has a proven track record of hiring talent from the Institute.

c) The company is willing to recruit students in large numbers through Institute mediated campus placement drives.

d) The company provides placement opportunities to students from a minimum of two (02) branches/ disciplines as part of its eligibility criteria.

e) The commitment extends to future Institute mediated on-campus placement cycles as well.

The status of 'Legacy Company' prohibits students holding a confirmed Full-Time Employment (FTE) offer from withdrawing from or declining such offers in favor of any subsequent off-campus opportunity.

9. **Semester-long / 6 months Internship & Performance-based PPO:**

Looking to the revocation of PPO for some candidates by few companies in the previous session, it has been decided that the eligible candidates who have been offered a 6 months/Semester-long Internship with a Performance-based PPO, may continue for the Full-Time Employment (FTE) placement processes and shall be permitted to do so only from 15 March 2027 onwards. Once such candidates secure the FTE offer, they must confirm within 3 days to the Faculty In-charge, Placement Cell whether they want to continue with the PPO based internship or they want to accept the FTE offer. Once such students secure an FTE offer, they will be debarred from participating in any Institute mediated on-campus placement process. A student has to report immediately to the Placement Cell if he/she has been extended a Pre-Placement Offer (PPO) by any organization. Students must note that if a company does not offer them placement at the end of internship, the Placement Cell will be bound to abide by the decision of that company.

10. **Semester-long / 6 months Internship (8B) Registration Rules:**

Students who secure a six-month/semester-long internship through on-campus or off-campus placement processes shall register themselves under the Institute's 8B Academic Provision as per the Institute Ordinance, through their respective departments, subject to the provisions of this Policy.

For the purpose of permitting registration under the 8B scheme, six-month internship cases shall be categorized as follows:

Category I: Internship with Pre-Placement Offer (PPO)/Performance-Based Conversion

Students who secure internship opportunities from reputed organizations offering Internship + Full-Time Employment (FTE) or Internship + Performance-Based Conversion to FTE through on-campus or off-campus processes shall be permitted by the Faculty In-charge, Placement Cell, to register under the 8B scheme and undergo the semester-long internship from January to June.

Category II: On-Campus Placed Students willing to accept Independent Off-Campus Internship

Students who already hold a confirmed on-campus full-time employment offer but independently secure a six-month off-campus internship opportunity with another organization may be permitted to register under the 8B scheme, subject to submission of a duly signed notarized undertaking stating that, in the event of receiving a full-time employment offer from the internship organization, they shall not accept such offer and shall mandatorily join the on-campus full-time employment offer.

Category III: Students Without Any Confirmed Full-Time Employment Offer

Students who do not hold any confirmed on-campus or off-campus full-time employment offer and independently secure a six-month off-campus internship that does not provide full-time employment shall not be permitted by the Faculty In-charge, Placement Cell, to register under the 8B scheme. The concerned department shall have the sole authority to permit or reject such requests.

Students permitted by their respective departments under this category shall be required to submit a placement withdrawal undertaking for non-participation in the on-campus placement process. The Placement Cell reserves the right to restrict or debar such students from participating in subsequent on-campus placement activities.

11. **Acceptance of Offer**. Students are required to carefully read and understand the terms and conditions given in the offer letters of the company before signing them. In case of any deviations observed in the placement offer vis-à-vis the Job Announcement Form (information given by the company during registration /PPT), the same must be brought to the notice of the Placement Cell without any delay. Students are not allowed to reject the offers made by the company without any substantial reason to the satisfaction of the FIC and Head, Career Development Centre (CDC), otherwise strict disciplinary action will be taken against such students.

12. **Multiple Placement Offers**. Students with multiple placement/internship offers need to select and finalize the acceptance of the offer from a particular company in writing or over mail within 3 days of receiving the last offer. If they fail to do so, then all the offers will be withdrawn.

13. **Collision of PPO Offers and Off-campus Company Offers**

    a. If a student receives a PPO offer after already accepting an off-campus offer from a company, the student cannot withdraw the accepted offer in favour of the delayed PPO.

    b. If a student gets a PPO offer before accepting an off-campus offer from a company, the PPO takes priority, and the student cannot accept the off-campus company offer afterward.

    c. The Faculty In-charge of the Placement Cell, with approval from the Head, Career Development Centre (CDC), makes the final decision in this regard.

14. **Unwillingness for Acceptance of Placement Offer.** A student may be allowed to decline the campus placement/internship offer made to them by a company under the following circumstances:

(a) All the students pursuing higher studies from reputed institutions under NIRF rank 100 will be allowed to withdraw their seats/acceptance of placement offer from the concerned company if they furnish an admit letter to the higher studies program, or else they shall be liable to the fine and disciplinary action as per these rules.

(b) Candidates applying or accepting off-campus offers should indicate their decision to the Placement Cell at the earliest and latest by 1st April of their passing year, failing this, the fine and disciplinary action provisions of this policy shall be followed accordingly. However, provisions of clause 16 and 17 of this policy shall be applicable in such cases.

15. **Unwillingness for Accepting the PPO**. A student may reject a PPO offered to them by a company under the following conditions:

(a) The candidate needs to inform the Placement Cell in writing /email about their decision to reject the PPO on or before the last date of the internship. Non-receipt of information/decision will be deemed as acceptance of PPO by the student.

(b) The CTC offered and/or bond conditions by the company were undisclosed previously to the students.

16. **Off-Campus Offer Policy:** A student receiving an off-campus internship or full-time employment offer shall inform the Faculty In-charge, Placement Cell, within seven (07) days of receiving the offer by submitting valid proof and a duly signed withdrawal undertaking from Institute mediated on-campus placement process, wherever applicable. Failure to disclose such offers and subsequent participation in the on-campus placement/internship process shall attract strict disciplinary action and monetary fine as deemed appropriate by the Faculty In-charge, Placement Cell, with the approval of the Head, Career Development Centre (CDC).

In the event that a student who has already secured an offer through the Institute mediated on-campus placement/ internship process receives an off-campus offer thereafter, the following conditions shall apply:

a) Performance-Based Conversion Offers

If the Institute mediated on-campus offer is an internship or employment opportunity where conversion to Full-Time Employment (FTE) is subject to performance evaluation and is not guaranteed at the time of offer acceptance, the student may choose to accept a subsequent off-campus offer at their discretion and shall be permitted to withdraw from the on-campus offer, irrespective of whether the on-campus company is categorized as a Legacy Company under the Institute Placement Policy, provided that the on-campus offer has not been converted into a confirmed Full-Time Employment (FTE) offer.

Upon conversion of the on-campus offer into a confirmed Full-Time Employment (FTE) offer, any request to withdraw from the on-campus offer and accept an off-campus opportunity shall be governed by the provisions specified under clause (b) of this Rule.

b) Confirmed Full-Time Employment (FTE) Offers

Students holding a confirmed Full-Time Employment (FTE) offer through the on-campus placement process may withdraw from the on-campus offer only if conditions (i) and (ii) below are satisfied, subject to the payment specified in (iii):

i. The company is not classified as a Legacy company as per Rule 8;

ii. The CTC offered through the off-campus opportunity is at least 1.5 times (1.5×) the CTC of the on-campus offer;

iii. In case a student holding a confirmed on-campus FTE offer receives an off-campus six-month internship opportunity, the student may be permitted to undertake the internship after submitting an undertaking on a non-judicial stamp paper stating that he/she shall undertake the internship solely for six months and, upon completion thereof, shall join the on-campus company as per the joining date communicated by the recruiter. A student who accepts a confirmed on-campus offer and subsequently withdraws from the offer without adhering to the conditions specified in this policy shall be liable to pay pre-estimated minimum liquidated damages of ₹2,00,000/- (Rupees Two Lakh only) to the Institute account, as communicated by the Faculty In-charge, Placement Cell, before the completion of the final semester examinations, towards the administrative costs and reputational loss incurred by the Institute. Further, the student may be debarred from receiving any further assistance from the Placement Cell.

If the student, upon completion of the internship, chooses not to join the on-campus organization and instead intends to join the off-campus organization, the conditions specified under clauses (i), (ii), and (iii) above shall apply.

c) Non-Compliance

In cases where any of the above conditions are not satisfied, the student shall be bound to accept and retain the on-campus offer. Withdrawal from the offer, failure to join the on-campus organization as committed, or any violation of the provisions stated herein shall be treated as a violation of the Institute Placement & Internship Policy and may invite disciplinary action as deemed appropriate by the Institute.

The decision of the Faculty In-charge, Placement Cell and Head, Career Development Centre (CDC), based on the recommendation of the Placement Cell Conveners regarding the applicability of this clause and classification of Legacy Companies shall be final and binding.

17. <u>Fine for Not Joining the Company After Acceptance of Offer</u>

If a student is not willing to join the company after selection through on-campus including pre-placement offer, he/she has to inform the Placement Cell about his/her unwillingness before the specified date (declared by the FIC) with the relevant proof for consideration. If he/she fails to do so and later on does not join the company, he/she has to deposit a fine of minimum ₹50,000/- (Rupees Fifty Thousand only) to the Institute's account (as communicated by the FIC, Placement Cell) within one month from the notice issued by the Faculty In-charge, Placement Cell. A copy of the payment receipt must be submitted to the Placement Cell to get the degree and other documents from the Institute. In addition to this, further disciplinary action may also be taken by the Institute.

18. <u>Students' Conduct</u>. Students are required to maintain the highest standard of discipline, proper dress code, appearance, and etiquette during campus placement/internship process. They must adhere to the following in this regard:

(a) Every placement/internship process / test holds the same sanctity as any other examination of the Institute. Impersonation in tests or any kind of malpractice during the process is a serious offence and may result in expulsion of the concerned student from the entire placement/internship process of the session and further disciplinary action.

(b) **Fine for Absence from Placement/Internship Process:** Students shall be responsible for their punctual presence in all the stages of the selection process i.e. registration, presentation, written / online test, GD, PI etc. If a student fails to appear on time for any stage of the selection process/test including pre-placement talk without prior permission, he/she shall be liable to pay a fine of ₹5,000/- (Rupees Five Thousand only) within 15 days from the notice issued by the Faculty In-charge, Placement Cell and may be debarred from participating in the entire placement/internship processes of the next five companies.

(c) **Presence in PPT:** Attending the PPT of the company is mandatory for all the candidates who have applied for that company. Students coming late or absent during the same shall be levied a fine of ₹1,000/- (Rupees One Thousand only) per company within 15 days from the notice issued by the Faculty In-charge, Placement Cell and shall be debarred from upcoming five on-campus companies.

(d) **Dress-code and Grooming:** All the candidates should follow proper grooming and appearance at all times during their presence at CDC. Any candidate failing to do so shall be levied a fine of ₹1,000/- per process within 15 days from the notice issued by the Faculty In-charge, Placement Cell to be eligible for any company henceforth.

(e) **Courteous Behaviour with Panelists:** Students are expected to behave with the company's delegates / panelists in a courteous manner and to maintain decorum during their interactions with company executives.

(f) Any student who is found misbehaving with the company executives / Placement Cell staff will be debarred from attending the entire Institute mediated Placement and Internship process. If any student or guardian of any student is found trying to contact or influence the HR, he/she shall be debarred from the entire session. Therefore, students are advised not to approach the company's HR during or after the campus placement process. If they have any issue, they must raise the same only through the FIC, Placement Cell.

(g) If any behavioral complaint is reported by the recruiter's side against any student, strict disciplinary action will be initiated. Further, students found involved in any indiscipline will not be eligible to participate in the placement/internship process and the case will be reported to the Disciplinary Committee of the Institute for further action.

(h) **Communication with Company:** Students are advised not to communicate with the company (HRs) directly unless authorized by the Faculty In-charge, Placement Cell. In case a company is directly communicating with them, they should keep the Placement Cell in loop / informed (mark cc: placementcell@nitrr.ac.in or tpo@nitrr.ac.in in the e-mails). All the communications must be through the Placement Cell only.

19. <u>General Advice to Students/Placement Conveners</u>.

(a) The date/time/venue of tests / interviews may be subject to changes which, at times, may be at a short notice. Students must keep themselves well informed by following the T&P portal/ Placement Conveners / Placement Cell.

(b) Students should prepare well for the placement/internship process by honing the skills and knowledge required for the particular job profile.

(c) Students must carry IDs issued by the Institute at all times during the process.

(d) Students must carry their complete file with all the relevant documents, resume and photographs while appearing for the interviews.

(e) Students/candidates should follow the 'Formal' dress code during the placement/internship process. If in any doubt regarding the dress code, they can discuss the same with the Student Placement Convener or the Faculty In-charge, Placement Cell.

(f) The Placement Conveners are responsible for submitting the attendance sheet of all participating students for each stage of the campus placement process, including PPTs, online assessments, and interviews, to the Faculty In-charge, Placement Cell, and the concerned HoDs within twenty-four (24) hours from the completion of the respective placement process.

(g) The Placement Conveners shall ensure that the placement process is conducted fairly and smoothly without any favouritism, bias, misconduct, or malpractice. Any such incident observed during the placement process shall be immediately reported to the Faculty In-charge, Placement Cell.

20. <u>Disciplinary Action</u>. In case a student is found to be violating any of the instructions mentioned in this document, he/she will be liable for fine and disciplinary actions such as,

(a) Withdrawal of placement/internship offer.
(b) Withholding of degree / documents.
(c) Any other punishment recommended by the Disciplinary Committee.

This placement and internship policy is applicable to all the students registered for the Campus Placements/Internships and is to be followed strictly during the entire duration of the placement/internship season. It may be noted that some policy changes may take place during the year in the best interest of the whole batch.

This is issued with the approval of the competent authority.
